V.P. ~~L.P. 26-26-169~~

SIR,

In forwarding herewith copy of letter No.V.P.C.135 27-28 dated the 4th August 1927 from the Deputy Commissioner, Chitaldrug District, re the amendment of the rules relating to the levy of taxes under Section 136 of the Village Panchayet Regulation published in Government Notification No.4347/L.B. 26-26-126 dated 6th January 1927, I have the honour to state that the Deputy Commissioner has suggested that the minimum value of a building to be assessed at annas eight in Village Panchayets may be fixed at Rs.10/- instead of Rs.25/- as at present and that buildings of less value than Rs.10/- may be taxed at annas four. As the question was a general one, other Deputy Commissioners were consulted in the matter. The Deputy Commissioners of Bangalore, Kolar, Mysore and Kadur have agreed with the proposals of the Deputy Commissioner, Chitaldrug. The Deputy Commissioner, Tumkur, states that he is not in favour of any such alteration in the existing rates of taxes, till every Panchayet prepares the assessment list and the financial position is actually ascertained. The Deputy Commissioner, Shimoga District states that in these days even a small thatched hut would cost Rs.50/- and the difficulty felt is imaginary and the villager's calculation of cost is always exclusive of labour and hence the value of a hut is under-estimated. The existing rules are in his opinion quite alright and require no modification. I agree with the opinion of the majority of the Deputy Commissioners in thinking that all houses should be taxed without exception and that the quantum should depend upon the value of each house. So far as huts which are estimated at Rs.25/- and less are concerned, I would suggest that the rate may be reduced to annas 4 per hut. A slight modifica-

modification of the rule will be necessary to give effect to these proposals.

2. I request that orders of Government may be kindly obtained in this behalf.

I have the honour, to be,

S i r

Your most obedient servant,

Revenue Commissioner.

Letter No.V.P.C.135/27-28 dated 4th August 1927, from the Deputy Commissioner, Chitaldrug District, to the Revenue Commissioner in Mysore.

Adverting to Rules 1 and 8 of the rules issued with Government Notification No.4347/L.B. 26-26-126 dated 6th January 1927 regarding the rates of taxes leviable under Section 36 of the Village Panchayet Regulation, I have the honour to state that the majority of the houses in Village Panchayets are huts valued at less than Rs.25/- each and as such are not taxable under the rules. The result is that the income realised from house-tax is therefore always very poor in Village Panchayets, though the house-tax is the main item of revenue to them. This point was discussed at a meeting of the Revenue Officers held at Chitaldrug on 27th July 1927 and the general feeling was that the existing rule would much hamper the finances of Village Panchayets and therefore their usefulness for any really effective work.

In view of the fact that even according to the old Mohatarfa rules no house went without taxation of less than annas 8, I would propose that minimum value of a building to be assessed at annas 8 in Village Panchayets may be fixed at Rs.10/- instead of Rs.25/- as at present and all other buildings less than Rs.10/- may be taxed at annas 4 as even vacant sites are generally charged 4 annas. The Village Panchayet may be given power to remit the house-tax in any cases of special hardship. I request that steps may kindly be taken to amend the rules accordingly.

Revenue Commissioner.
